ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 15 March 1967

STAT

1. [REDACTED] Met with Mr. Bonitati, Administrative Assistant to Senator Howard Baker, and advised him it would be necessary to go over to the following week from the suggested date of 22 March for the Senator to visit the Agency. Mr. Bonitati advised that this would be helpful from the Senator's point of view but that the Senator does want to visit the Agency and meet with the Director.

STAT

2. [REDACTED] Talked with Robert Cronin, Administrative Assistant to Senator Lister Hill, and advised him that both 21 and 22 March are poor dates for the Senator's visit to the Agency. It will be necessary to meet with Mr. Cronin during the week to reschedule Senator Hill's visit.

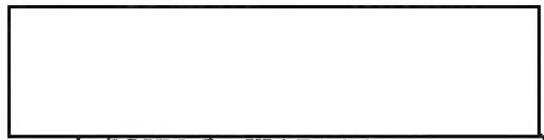

STAT

3. [REDACTED] Met with Representative John J. Duncan as a follow up to the meeting of last Friday concerning his letter of 7 March. After somewhat extended discussion, Mr. Duncan agreed, with some reservation, that a written response from the Agency would not be required at this time. It is believed his intention is to contact the President's committee for information on funding of organizations active in American politics. Mr. Duncan did agree that he would call me if further information is desired from the Agency.

STAT

4. [REDACTED] In response to his request, provided Mr. Frank Saunders, House Appropriations Committee staff, with the building costs and years funded for our Headquarters building and installation.
